**MISSING!!!!**  
**PLEASE HELP!!!!**

Please help! Maggie went missing while staying at a friend's house while we were out of town. This is the first time she has ever stayed away from home. She went missing Saturday evening over near 301 and 295. Her name is Maggie; she is a black Lab, Newfoundland mix. She is about 75 to 80lbs and is tall. She has a white streak down her front and also a section on the left side of her neck is semi shaved from where she was treated for a hot spot. She is very sweet, sometimes timid. She is used to being around children and small dogs and does great with both. She also is very much a house dog. Unfortunately she did not have her collar on. Any information at all would help!!!! Please call 804-651-9108 (Shannon) or (Andrew) at 804-386-6301 if you have seen her or know where she may be. We just want to get her home!!!!!!
